3RD BN POND CATCH-AND-RELEASE FISHING

NO Shrimping
Crabbing
Swimming
Wading
Boating

Subsistence fishing on **3rd Battalion Pond** has been prohibited in order to protect human health related to potential fish contamination resulting from a nearby Environmental Restoration Site. Through collaboration with the Navy, the South Carolina Department of Health and Environmental Control, and the Environmental Protection Agency, it has been determined that **CATCH AND RELEASE** fishing is still protective of human health while allowing people to enjoy the recreational benefits of fishing.

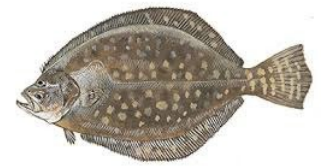

Fish species present in the pond likely include:

Redfish (Red Drum)

Sheepshead

Flounder

Black Drum

Spotted Seatrout

PMO AND CONSERVATION LAW ENFORCEMENT OFFICERS WILL ENSURE COMPLIANCE OF DEPO 5090.3C (FISH AND WILDLIFE ORDER). VIOLATIONS MAY RESULT IN SUSPENSION OF FISHING PRIVILEGES, DISCIPLINARY ACTION, ISSUANCE OF A FEDERAL CITATION, OR DEBARMENT FROM THE INSTALLATION.
